

# Harness solution

## for First Solar

### Key Aspects

- Optimised for First Solar and customised for each projects
- Easy plug-and-play installation
- Maximum reliability with harness manufactured in controlled condition and rigorous quality control at factory
- Proven solution in India
- No overmolding of cable allowing easy maintenance
- Insulation Piercing Connector (IPC) and Branch connector based system

### Technical specifications

Voltage	1500 VDC
Sealing	IP68
Current rating	upto 70A
Cable size	2.5 /4.0/6.0 sq.mm
Ambient temp range	-40 to 90 °C
